To whom it may concern,

#### **CURRENT RENTAL MARKET APPRAISAL**

A current rental analysis is listed below providing you with a range of rental value. I trust that the following information will be of assistance when considering the rental range provided.

When assessing the rental value of a property, we take into account factors that assist in leasing your property promptly. This includes a comparison of similar properties, current vacancies and market trends. Obtaining realistic rental value ensures that your property is let as quickly as possible for a better financial return on your investment.

**Rental Appraisal: \$630.00-\$650.00 per week.**

A range of rental value is provided so that you can make a sound decision based on your personal situation. The higher figure represents a rental which may be achieved in the given time and may be used to test the market. The lower figure is based on what may appeal to a tenant quickly. Somewhere in between, would be considered a reasonable market value to locate a suitable tenant in a reasonable time frame.

It may depend on your personal situation as to the rent asked. If you require a tenant urgently it may be that you will consider starting at the lower figure appraised. Alternatively, you may choose to test the market to see if the higher figure can be achieved and see what feedback tenants inspecting provide. We will, of course, keep you informed along the way.

Our feedback to you is important so that we can both make practical and informed rental assessments and vary the rental amount as required. Lessors using our management services are provided with regular appraisal at the end of each lease or annually, whichever comes first. If possible, we aim at achieving a higher rent for Lessors although this depends on many factors, such as the condition of the property and the current market activity.

Our team would be delighted to manage your investment with your individual needs in mind. If you have any further questions, please do not hesitate to contact me on **0412 370 636** or [tahnee.kirkman@tsvharcourts.com.au](mailto:tahnee.kirkman@tsvharcourts.com.au)

Kind regards,

Tahnee
