Twirl (our mascot) will lead our little dancers through each step of the class as they learn the fundamentals of ballet.

The class consists of 3 sections - ENGAGE, EXPLORE AND EXPRESS.

FAQS

Can I watch my child's classes?

In our experience, preschoolers are able to concentrate better without the distraction of other noise in the room from parents and siblings. Our program has been endorsed by *leading child care experts* who support the independent learning model. As preschoolers participate in classes they have the opportunity to develop additional secure attachments with adults (teachers) and peers. This helps them transition positively into the larger world and helps with school readiness. We have multiple performance opportunities throughout the year, including our 'special themed' weeks & annual showcases. Having said that, a lot of children are timid at first and need to know that a parent is close by. Our program allows parents to watch the first class if necessary to help them adjust.

Are your teachers qualified?

All teachers have their Working with Children Check and follow the program that is endorsed by early learning experts. READY SET DANCE teachers are required to gain their accreditation from READY SET DANCE head office before delivering the program, as well as a national accreditation for Certificate IV in Dance Teaching and Management. Reflections staff members are also accredited with First Aid, CPR & 'Keeping Kids Safe in Dance' certificates.

Do we need to purchase uniform and shoes?

Students must wear the READY SET DANCE uniform. However, we need to make sure we are the right fit for you and your child before committing to anything. Comfortable clothes and sneakers are fine for the first couple of lessons. Once your child has settled you can purchase the official READY SET DANCE uniform in reception which we are sure you will love.

If we miss a class can it be made up on another day of the week?

You may swap days during Terms 1 and 2 if you miss a class (as long as the make up class is not full). In term 3 and 4 however, each class works on a different routine for the end-of-year showcase, and it is too confusing for students to be swapping days. *We do recommend that you avoid alternating days too much as preschoolers need the comfort of knowing that the same teacher and their friends will be there when they go to dancing.*
