

Fee Table | ABC Training and Consulting

*FFS (Fee For Service) fees are calculated per unit of competency and incurs a \$300 enrolment fee.

Approved credit transfers may reduce course fees. The final fee will be confirmed once all credit applications are assessed.

Eligibility for state or government funding is subject to the relevant funding body's criteria and is not guaranteed. Students are encouraged to confirm their eligibility before enrolment.

Please get in touch with our Sales Team to discuss fees applicable to your circumstances.
