

PHOEBE DESK

Phoebe represents bright intellect - the light that allows us to see what was previously hidden. Its intersecting geometry evokes the strength of Sonoran rock formations, while walnut and stainless steel bring warmth and permanence to the form. A desk created for the pursuit of clearer thought.

84"W x 30"D x 30"H
Walnut · Stainless Steel

EDITION OF 19
Signed and numbered by the artist · Certificate of Authenticity

\$15,800
