How It Works

# premier points+<sup>SM</sup>

## Place Lab Order

InAccess Labs' Online Portal, add your desired test(s)/panel(s) along with test code **M501**.

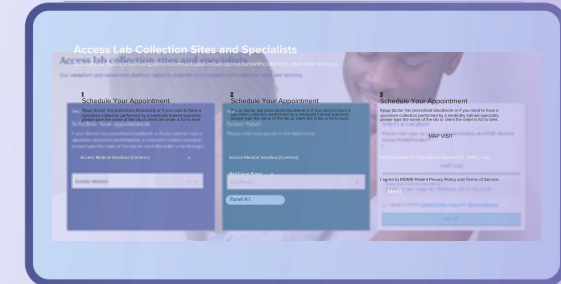

## Send Req Form

Once order is placed with ALL required information, send patient an email with the PDF requisition form.

## QR Scanned

Patient scans the QR code and is directed to the Access Points locator & scheduling portal.

## Information Confirmed

Patient confirms pre-populated information.

## Blood Draw Scheduled

Patient selects their convenient Premier Point+ draw center and schedules their visit.

## Sample Shipped to Access Labs

Draw site collects the sample, and ships to Access Labs the same day.

## Results Delivered in 24 Hours

Access processes samples and delivers results in 24hrs.
