Need Want or Save

Tiny Hands Big Plans Ages 5-8

Draw a picture in each big box. You may also ask an adult to help you write.

A NEED my family uses

A WANT I would enjoy

My SAVINGS GOAL

Meet the Coins

Look closely then label each real-looking coin picture

Use the word bank: PENNY | NICKEL | DIME | QUARTER

Coin 1 name and value

Coin 2 name and value

Coin 3 name and value

Coin 4 name and value

Key Definitions with Picture Clues

PENNY	Copper-colored coin with Abraham Lincoln. Value: 1 cent.
NICKEL	Larger silver-colored coin with Thomas Jefferson. Value: 5 cents.
DIME	Smallest silver-colored coin with Franklin Roosevelt. Value: 10 cents.
QUARTER	Largest coin on this page with George Washington. Value: 25 cents.

Fun fact: 100 pennies = 20 nickels = 10 dimes = 4 quarters = 1 dollar.

Tiny Hands Character Coloring Page

Color the characters and talk about each money superpower

Character Money Superpowers

Match each character with the choice they are showing

Leo the Lion	Leadership - helps the group make a confident plan.
Ellie the Elephant	Planning - thinks ahead and uses a checklist.
Penny the Penguin	Saving - puts money aside for later.
Bella the Bee	Sharing - helps others and helps good things grow.
Ollie the Owl	Wisdom - learns the facts before choosing.
Benny the Bear	Bravery - chooses needs before wants when needed.
Terry the Turtle	Patience - waits and thinks before spending.

My Trust and Responsibility Checklist

- ☐ I ask before borrowing.
- ☐ I return what I borrow.
- ☐ I keep my promises.
- ☐ I keep private information private.
- ☐ I use Stop - Check - Tell when something feels unsafe.

Small goal: This week, I will name all four coins and save at least one coin with help from an adult.

One safe money choice I will practice:
