DFW ADULT BASEBALL ASSOCIATION SPRING 2026 TEAM FEE PAYMENT SCHEDULE

The table below represents the payment schedule for the upcoming spring season. Every season there are always teams and managers that are organized and start early collecting fees from their players. I would like to urge everyone to start early and adhere to the deadlines to allow a smooth start this year. When fees are not paid on a time it creates various problems in organizing the leagues. Establishing the number of teams in each division, acquiring enough fields, and developing a schedule are just a few. Teams turning in their fees late will be assessed late fees each week they are late. **Please help by paying your fees on time.**

Each team will be required to submit a non-refundable deposit of \$500 due January 24th. This deposit will be applied towards your total team fee. **Teams will not be allowed to draft players at the tryouts without their deposit submitted. Teams requiring a \$150 forfeit bond should pay their bond at this time.**

Teams may purchase extra baseballs at the beginning of the season for \$85.00 per dozen. ***It may be easier to collect the extra money for the balls from your players now at the beginning of the season. Each team will receive 3 dozen baseballs with their league fee.***

The DFW ABA accepts cash, money orders, cashier's checks and Zelle. Master Card/Visa/Discover may be used with your on-line payment with an additional **6.2% fee charged by the web site company.** **Please no personal checks.** Money orders and cashier's checks should be made out to DFW ABA.
