 Revised 3/1/26

DFW ABA FIELD DETAILS / SHOE REQUIREMENTS

Below are the types of shoes allowed on the fields we use in our league. You must abide by these rules below. If a player is found to be wearing metal spikes on a field that prohibits metal spikes the player will be called "out" for their next plate appearance and must change shoes. If the player refuses to change shoes he will be ejected and his vacated spot in the line-up will be called an out unless the team has an eligible substitute. The ejected player will also be suspended for the next game on the next scheduled date the team plays per the ejection rule. These rules will be strictly enforced by the officials at the field and by your opponent. If you have less than 8 players the game shall be considered a forfeit.

FIELD	SHOE ALLOWED	NOTES

FIELD DETAILS / ACCESS

Below are details on access to the fields such as gate codes. Most fields will be open and ready to play. All fields will have bases on the field except Livley Field. Bases will be in the first base dugout and must be put out in the first game of the day and put back the last game of the day. Please do not forget! After the games on all fields teams must pick up all trash in their dugout and stands area.
