

# Om3ga High Potency

## OPTIMAL CELL FUNCTION

A ultra-pure, high-dose Omega-3 supplement sourced from wild-caught Alaskan Pollock, designed to promote brain health and total body anti-inflammatory support.

## CORE INGREDIENTS AND BENEFITS

### Wild-Caught Alaskan Pollock Oil (1,000 mg)

A premium source of essential fatty acids protected from oxidation for maximum purity.

### EPA (400 mg) & DHA (330 mg)

Supports cardiovascular health and provides powerful anti-inflammatory benefits. Promotes optimal brain function, cognitive clarity, and nervous system health.

### Natural Mixed Tocopherols

Added to maintain oil stability and protect delicate cells from oxidative stress.

### Zero Fillers, Synthetics and Sugar

Our Om3ga is sugar-free and encapsulated in a clean, gelatin softgel to ensure radical transparency and efficacy.

60 Softgels | Daily Dose: 2
