

• Patented form of phototherapy

X39

- Elevates the Stem Cell peptide (GHK-Cu), the Holy Grail of Healing
- Activates Stem Cells for Repair & Regeneration
- Reduces pain & inflammation
- Stimulates rapid wound healing
- Elevates collagen & anti-oxidants
- Improves skin appearance & wrinkle reduction
- Increases hair growth
- Increases joy, energy & stamina
- Improves mental clarity & sleep
- Restores the musculoskeletal system
- Enhances sports performance & faster recovery

• Patented form of phototherapy

AEON

- Elevates the Longevity peptide found in the liver (Royal Jelly RJP), known for regenerative benefit
- Aeon reduces full body inflammation and when combined with X39, protects newly activated Stem Cells
- Balances the nervous system putting the body into a state of rest & digest
- Boosts SOD (Superoxide Dismutase) which reduces oxidative stress & supports cellular health

• Patented form of phototherapy

Carnosine

- Protects telomeres & organs
- Protects brain, heart & muscle function
- Prevents mental decline & visual degeneration
- Supports connective tissue & joints
- Promotes exercise & physical fitness
- Balances glycation process to regulate blood sugar

• Patented form of phototherapy

X49

- Elevates the brain & heart Stem Cell peptide (AHK-Cu), the daughter peptide of GHK-Cu
- Protects the brain & supports cognitive function
- Protects the heart & supports healthy blood pressure
- Builds lean muscle mass & reduces fat
- Enhances sports performance & faster recovery
- When combined with X39 both body composition & sports performance are improved by 30%
- Increases testosterone and builds bone density
- Reduces EMF & cell phone radiation

• Patented form of phototherapy

IceWave

- Provides FAST pain relief
- Relieves soreness at the point of pain
- Breaks the connection of pain
- Regulates the nervous system

• Patented form of phototherapy

SP6 Complete

- Reduces sugar in the blood
- Balances the digestive system
- Regulates the endocrine system which is the hormone control center
- Decreases food cravings

• Patented form of phototherapy

Silent Nights

- Elevates Melatonin for deeper & longer sleep
- Natural sleep aid and decreases snoring
- Fosters relaxation

PRODUCT SUMMARY SHEET - CONTINUED

• Patented form of phototherapy

Glutathione

- The body's Master Antioxidant & Detoxification Pathway
- The immune system's first line of defense
- Supports the removal of bacteria, viruses, fungus, parasites & mold
- Helps the body detox harmful toxins including heavy metals & environmental pollutants
- Improves skin's appearance
- (1) 12-hour application is clinically proven to elevate and sustain Glutathione levels by 300% for 24-hours

• Patented form of phototherapy

Alavida Patch & Skin Care System

Day Cream, Night Cream & Copper Peptide infused Eye Cream

- Elevates the Fountain of Youth peptide (Epithalamin)
- Builds collagen, reducing fine lines & wrinkles
- Promotes firmer skin & evens out skin tone
- Lengthens telomeres, an indication of longevity
- Protects the pineal gland, part of the endocrine system that balances hormones
- Naturally derived plant-sourced ingredients

Cellergize Morning Formula

- Supports Stem Cell activity
- Boosts Glutathione production
- Supports Copper Peptide production
- Supports Immune function
- Supports Digestive health
- Supports production of Antioxidants
- Includes Amino Acids, Minerals and Electrolytes to hydrate your cells with good nutrition
- No Artificial Sweeteners, Flavors or Coloring, Non-GMO & Gluten Free

• Patented form of phototherapy

Energy Enhancer

- Engages the body's natural energy field
- Increases beta-oxidation - turning fat into energy
- Turns on mitochondria, the powerhouse of every cell in the body - when cells are turned on, the body is protected
- Improves Lymphatic System for managing fluid levels in the body
- Provides energy for physical activity
- No drugs, chemicals or stimulants
- Safe effective & non-addictive

• Patented form of phototherapy

AcuLife

- Provides FAST pain relief for animals
- Relieves soreness at the point of pain
- Breaks the connection of pain
- Reduces inflammation
- Regulates the nervous system
- No drugs, chemicals or stimulants
- Safe, effective & non-addictive

Cellergize Evening Formula

- Supports relaxation in preparation for sleep (L-Theanine)
- Contains an important amino acid for brain function (Taurine)
- May support muscle relaxation (Magnesium)
- Supports immune function (Magnesium)
- Supports overall health and wellness (Magnesium, Fibersol®-2)
- Supports cardiovascular function (Magnesium, Nattokinase)
- Contains prebiotic fiber (Fibersol®-2)
