**Re: Obstructive Sleep Apnea and Mandibular Advancement Device
Rx and Statement of Medical Necessity**

I am prescribing a Mandibular Advancement Device (E0486) for the above-named patient who has been diagnosed with Obstructive Sleep Apnea (G47.33). I concur that the recommended therapy is medically necessary, and I now prescribe treatment utilizing an FDA approved Mandibular Advancement Device. Length of need is lifetime. I strongly urge you to cover the costs of this therapy. Failure to do so would place the patient's health in jeopardy.
