## ...and a Darn Good Time!

Dear valued customer,  
All of our menu items are made with the freshest ingredients available to us, from the greens in our salads to the seafood on our plates. Some of our items are marked as market and their availability depends on Mother Nature, ocean temperature, tides, favorable winds, the Dow Jones Index, the price of tea in China, and among other things, how lucky our fisherman are. If you have suggestions as to how we can improve our food or service, please pass this valuable information on to us.
