Explanation of Services

Raindrop Technique – $75: a 60-minute session which supports deep relaxation and balance by combining gentle touch with essential oils

Reflexology – $60: a 60-minute session which works through specific points in the hands and feet to encourage whole-body balance. Essential oils are used to enhance the session.

AromaDome – $30: A personal wellness dome in which essential oils are dispersed to help the body shift into parasympathetic (rest and repair) state.

P90+ Terahertz and Pulsed Electromagnetic Field (PEMF) therapy – $20: a 20-minute session to support cellular communication and energy flow, enhancing the body's natural healing processes.
