ABOUT EVAN

Evan helps parents of stuck or struggling college graduates trade pressure for connection and get their kids moving toward real independence. As a father of two, including one who took a non-linear path, he speaks from lived experience and not from theory.

SIGNATURE TALKS

FOR PARENTS

From Megaphone to Microphone

The communication shift that gets adult kids to listen.

- Why advice often creates resistance
- How to communicate without triggering defensiveness
- The calm-authority approach that builds connection
- Practical language parents can use immediately

FOR STUDENTS & EMERGING ADULTS

What Nobody Told You About Life After Graduation

A roadmap for emerging adults.

- Building confidence after college
- Navigating uncertainty and setbacks
- Taking ownership of the next chapter
- Creating momentum without perfection

FOR CAREER COUNSELORS & CAMPUS TEAMS

Stuck, Not Lazy

Why emerging adults freeze, and what actually helps.

- What is really happening beneath the surface
- The difference between stuck and lazy
- Supporting growth without adding pressure
- Strategies that encourage ownership and action

WHAT YOU WALK AWAY WITH

- The one communication shift that turns lectures into conversations
- How to tell a grad who is stuck from one who is lazy, and why it changes everything
- A simple framework for accountability that does not start a fight
- Language you can use the very same day

IDEAL FOR

Parent and family workshops, college alumni associations, campus career and student-success teams, university and association events, chambers of commerce, hospital employee resource groups and wellness programs, and employer-sponsored family support and caregiver groups.
