PRICING GUIDE

OUR VENUE

If you are looking to plan an event at Lexington's most unique, historic location, look no further! Step into Lexington's history at our iconic Round Barn. Built in 1882 next to the Red Mile Racetrack, the Round Barn is now beautifully restored as a Standardbred Museum. With draping, bistro lights, and a magnificent chandelier suspended through the center of the building, this space is perfect for social events, birthday celebrations, and private parties. If you are planning a corporate event or fundraiser, the octagonal shape and second-floor area of the building are perfect for displays, networking, and silent auction space. Our Event Managers will work closely with you to plan out your venue details, vendor recommendations, and menu planning. Bayou Bluegrass Catering offers in-house food and beverage service with a variety of service styles and an extensive menu for any occasion. Ready to start planning?
