

# NATALIE LINCOLNE

EXECUTIVE AND  
LEADERSHIP COACH

## BIO

Natalie Lincolne is the Director and founder of Incredible People, a leadership development organisation known for its practical, results-driven approach. With a background in Organisational Development and Human Resources, Natalie is an accredited leadership coach who works with leaders at all levels to enhance self-awareness, emotional intelligence, and leadership impact.

Through her Momentum framework, Natalie helps leaders achieve success by focusing on three key components: Deliver (direction and alignment), Grow (talent development), and Optimise (feedback and systems). Her work has transformed organisations by improving leadership, establishing a culture of trust and accountability that enhances employee engagement and wellbeing.

Natalie partners with high-caliber organisations of all sizes to create lasting leadership impact through customised coaching, training programs, mentoring programs and targeted group sessions.
