

THE FIREBALL METHOD

Destroy Debt, Increase Income, and Reclaim Your Time, Freedom & Future, Without Sacrificing Your Life to Do It

ABOUT THE BOOK

The FIREBall Method is not another budgeting book. It's a step-by-step path that takes readers from financially frozen to financially free, built on four stages: Fuel, Ignite, Rise, and Expand. Written by a debt-industry insider who escaped his own $78,000 mountain of debt, it hands readers the insider playbook to destroy debt, multiply their income, break the beliefs holding them back, and build a life of lasting freedom.

WHAT READERS WILL LEARN

- Rediscover the dream they buried while building everyone else's
- Ignite and multiply their income without working more hours or grinding harder
- Break the fear, shame, and old beliefs keeping them frozen
- Build a bigger life with more money, more time, and more freedom

THE F.I.R.E. METHOD

FUEL – Rediscover the dream and the real reason worth fighting for.
IGNITE – Increase and multiply your income and take action.
RISE – Break through the fear and beliefs holding you back.
EXPAND – Build a life of freedom, purpose, impact, and legacy.

ABOUT THE AUTHOR

Jason Oswald, known as Coach Jedi Jason, was a manager in the collections industry who, after losing his mother and ending up more than $78,000 in debt, settled it for pennies on the dollar and left the industry in 2000. He has since helped thousands of people escape debt and built The FIREBall Method to help people go from financially frozen to financially free.
