NAWIC FORT WORTH CHAPTER 1

President's Message

October 2026

As I step into the role of President, I am both honored and excited for the year ahead. Serving in this position is more than a title—it is an opportunity to listen, connect, and help our organization continue building something meaningful together.

October feels like the perfect time to begin this journey. As the year moves forward, we have an opportunity to look at where we are, celebrate what we have accomplished, and think boldly about where we want to go next.

Our national theme this year is Strong Foundations, Strong Futures, I love this theme. I want to encourage each of us to get involved, share our ideas, support one another, and continue creating opportunities for the next generation of leaders, this is how we fill the boots for the future.

The strength of our chapter comes from the people who show up, volunteer, mentor, lead, and make a difference. I am excited to work alongside each of you as we continue to strengthen that foundation and build our future together.

As we begin this new chapter, I invite you to step forward, bring your voice to the table, and help shape what comes next.

Together, let's build strong foundations, strong futures, and a stronger community. Thank you for the opportunity to serve as your President. I look forward to an incredible year ahead!

Jamie Greenway

President, 2026-2027 NAWIC Fort Worth Chapter 1

Question of the Month

Pumpkin Spice: Yes or No?

Our Foundation

NAWIC PLEDGE

As material for the construction of our buildings,
I pledge the agility of my hands,
the ability of my mind,
and the integrity of my heart.

NAWIC CORE VALUES

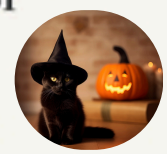

- Women focused
- Courageous leadership
- Commitment to inclusion and growth
- Anticipate change

NAWIC CORE PURPOSE

To strengthen and amplify
the success of women in
the construction industry.

BUILD TO SAVE LIVES

THE HIDDEN SYSTEMS THAT PROTECT US

Fire sprinkler and life safety systems are essential to every building—but how well do we understand the role they play throughout design and construction?

Join us for an approachable look at the systems working behind the scenes to protect buildings, occupants, and first responders.

We'll explore how fire protection influences project planning, coordination, code compliance, and everyday jobsite decisions.

Whether you work in design, project management, estimating, field operations, or another area of construction, this presentation will help you better understand how each discipline contributes to creating safer buildings.

NAWIC
The National Association of
Women in Construction

Fort Worth, TX

October 15, 2026

The NAWIC Fort Worth Chapter 1 Foundation has awarded more than $105,000 since it was formed in 2016.

1st Annual Clay Shoot:
Breaking Clays, Building Futures

Wednesday, November 11,2026
Defender Outdoors Clay Sport Ranch, Joshua TX

Sponsorships and Team slots are still available.
