

STILLPOINT LEADERSHIP CONSULTING

Calm authority. Clear communication. Stable culture.

MAXWELL LEADERSHIP TEAM MEMBER · INTELLIGENT LEADERSHIP EXECUTIVE COACH · WARRIOR'S WAY CERTIFIED TRAINER

Grounded leaders build teams that trust them, and trust is one of the most reliable performance advantages a company can have.

StillPoint trains middle and senior managers to lead from a centered state under real pressure. What the business gets is sharper managers, better decisions when the stakes are high, and teams that communicate without the friction.

KEYNOTE · START HERE

The StillPoint Leader 60–90 minutes

People will be triggered. Their job is to be aware of it and bring themselves back into a centered state so they can lead.

They leave with:

- More influential leadership, through understanding how their inner state impacts their leadership behavior
- A practice to shift back into a powerful centered state in high-stakes moments

*Also available: **The Performance Trap**, why high-achieving leaders succeed at everything and still feel nothing*

***Pressure Performance Workshop**, half or full day, available on request. Skill installation and live practice lab with pre/post assessment.*

WHO THIS IS BUILT FOR

- Middle and senior managers carrying real weight, whose teams would feel it the moment they got steadier under pressure
- Organizations with growing teams, high-stakes environments, or visible leadership communication breakdowns

WHO DELIVERS IT

Naphtali D. Anderson spent years in leadership roles across **Siemens Smart Infrastructure and Siemens Corporation**, where he designed and facilitated a year-long leadership program. He has led inside the same pressure your people are under: matrixed reporting, high-stakes delivery, and decisions made without enough information. Author of two books.

"Naphtali is a powerful speaker. He is very considerate when answering questions and responds with positive energy."

Participant, public sector leadership development course

"His words carry so much power and it truly resonated with me. He is a wonderful presenter and everyone deserves to hear him speak."

Tylah B.

Awareness is trained. Trust follows.
