These terms apply when you use The Executor's Guide, including our request form, the guide itself, our emails and our text messages. By using them, you agree to these terms.

General information only

The Executor's Guide gives general information about selling an estate home. Talk to an estate attorney, tax professional or licensed real estate professional about your specific situation before you act.

Referrals

If you ask for help or a value check, we may connect you with a licensed real estate professional in Pennsylvania or Florida. Any services they provide are between you and them, under their own agreements. You are never obligated to hire anyone.
