INTRODUCTION TO COURTNEY'S TALKS

✨ WHAT WOMEN REALLY WANT IN THE BEDROOM

In this refreshingly honest, laugh-out-loud talk, Courtney reveals what women really want — and why so many women have spent years faking, settling, or staying silent instead of asking for it. Blending research, humor, and stories, she dismantles the shame and "good girl" conditioning that taught women to shrink their desires and gives every woman full permission to want more passion and pleasure, unapologetically. Through a signature GLOW Practice, women don't just hear the message — they feel it. They leave feeling seen, excited, and ready to claim what they crave.

✨ WHAT HAPPY COUPLES DO DIFFERENT

In this engaging talk, Courtney reveals what happy couples do differently — in the **bedroom and beyond** (it's not better communication or date nights).

Blending science, humor, and real-life stories, this fresh, practical lens leaves audiences inspired, hopeful, and eager to try something new.

✨ AFTERGLOW: WHY GREAT SEX MAKES YOU HAPPIER, HEALTHIER & WEALTHIER

Based on her viral TEDx talk, Courtney takes you on a fun, research-backed exploration of the Afterglow Effect — the 48-hour ripple of happiness, confidence, and creativity that follows great sex. Through humor, science, real-life stories, and a GLOW Practice, release shame and embrace pleasure as life fuel to thrive in love, health, and business.
