Church Planting Missionaries in New York City

Dear Pastor and Praying Friends,

July 8, 2022

Greetings from New York City! We give thanks to the Lord and to you for your faithful prayers and financial support! I apologize for the lateness of our prayer letter. We have had several busy and productive months. The Lord our God has been good to us in so many ways!

1. Covid Restrictions were lifted in the beginning of March. Mask mandates and vaccine mandates were lifted. People felt much more at ease to get out and about. Many whom we have not seen for the last two years have started coming back to church.

2. We are now having visitors come! Riyad, Maggie, and Rose with her son Michael have been attending faithfully. Riyad had been involved with religions and different denominations. He began hearing a faithful to the Word voice online and knelt in his house on December 12th, 2021 and trusted Jesus as his Saviour! We will soon have a baptism for him and a few others.

3. We had a very good field conference at Fellowship Baptist Church in Madison, VA. The preaching was very helpful, and we enjoyed the fellowship with the church and other church planters.

4. Spring Revival went well with Pastor Bill Norton! His wife Lynne came as well, and we had a wonderful time of fellowship, which was very encouraging to Julie and I. During the week we had a Teen Rally in the day. Pastor Norton brought some good messages for them. One day we walked the Brooklyn Bridge and went to Domino Park.

5. The Lord has been working in our church. We have a sweet spirit in the services. People are growing and maturing in the Lord. Attendance is growing, and we are praying for God to provide a building for us.

6. Ethan and Marcella are two teens who are growing and excited to serve the Lord. Ethan helps with the sound system, and Marcella sings in choir and special ensembles.

7. Erica, Harry, and Maria have come home for the summer from Bible College. They are helping in Junior Church and Sunday School classes.

8. Teen camp went well although we had some resistance for some to go. We thank God for the good preaching they heard this year. Pray as we seek to help these teens living in the inner city. Justin and Stephanie love them and are diligent to encourage them in their growth.

9. Our Preaching in the Park went very well last week! It is exciting to lift-up the name of Jesus in a public park! We had great participation from our church, and many people heard the gospel. Each night at least one individual wanted to interrupt the services, but the Lord kept things calm in each instance. Six professions of faith were made and many were witnessed to one on one. We are grateful for those who came to help us.

10. We will have Junior Camp and Vacation Bible School in August! Pray for our Junior age children to be able to go to camp. Pray for children and young teens to come to VBS and hear the gospel. Your prayers for us as we continue for the Lord here, are so important. We want to see God do mighty things for His glory!

In Christ,

Dana D. Dice
