

LIZZIE'S MONTHLY SCOOP

OCTOBER 2026 EDITION

WELCOME PARENTS

September was filled with learning, growing confidence, and meaningful classroom moments at Lizzie's Learning Academy! Our students enjoyed literacy activities, creative projects, outdoor play, and quality time with their teachers and friends. Throughout the month, the children continued strengthening communication skills, building friendships, following classroom routines, and discovering new ways to learn and express themselves.

Now, October is here, and we are excited to welcome a month filled with fall fun, creativity, and new learning experiences! This month, we look forward to seasonal activities, hands-on projects, safety lessons, classroom exploration, and plenty of opportunities for every child to grow and shine. Thank you to our amazing parents, dedicated staff, and supportive community for continuing to make Lizzie's a warm, joyful, and special place for children to learn and thrive. 🎃🍂🌟

☀️ INFANT SPOTLIGHT ☀️

👶 September was a cozy month of cuddles, movement, and sweet discoveries in the Infant Room! Our babies continued growing, bonding, and reaching new milestones through tummy time, music, sensory play, stroller rides, and loving interactions with their caregivers. Each day brought new smiles, stronger movements, and joyful little moments as they explored their surroundings and became more confident in their routines.

As we move into October, we look forward to colorful fall activities, soothing songs, cozy routines, gentle outdoor time, and plenty of smiles. Our caregivers are proud of every little learner and the wonderful progress they continue to make each day. Watching them grow, connect, and discover new things is such a special part of our Lizzie's family. 🍂💙🌟

LIZZIE'S CLASSROOM CHRONICLES

SCHOOL-AGERS SPOTLIGHT

October is here, and our School-Agers are continuing the school year with confidence, responsibility, and plenty of big-kid energy! September gave us a great look at how well they are adjusting during their first weeks of school. The children worked through new routines, homework expectations, classroom responsibilities, and busy school days while continuing to build friendships and confidence. They showed growing independence, teamwork, and a positive attitude as they settled into the rhythm of the school year. As we move into October, our School-Agers are ready for more academic support, creative projects, hands-on activities, and seasonal fun. This month, we will continue encouraging responsibility, kindness, leadership, and strong learning habits. We are so proud of how well they are adjusting and of the amazing big-kid spirit they bring each day! 🍁🍂📚

PRE-SCHOOLERS SPOTLIGHT

September was full of movement, discovery, and exciting learning moments in the Toddler Room! 🍎 Our toddlers enjoyed sensory play, music, stories, creative art, outdoor activities, and plenty of opportunities to explore alongside their friends. The children practiced sharing, using new words, following simple routines, and building independence with growing confidence each day. As we move into October, our toddlers are ready for colorful fall activities, hands-on learning, movement, and more chances to strengthen communication and social skills. Through play, exploration, and caring guidance, they continue growing into happy, curious, and confident little learners. 🍁🍂💖

TODDLERS SPOTLIGHT

Our Toddlers are stepping into October with bright smiles, growing confidence, and plenty of curiosity! 🍎 September was filled with sensory play, music, stories, movement, creative art, and fun opportunities to learn through exploration. Our little learners practiced sharing, following routines, using new words, and building stronger connections with their friends and teachers. As October begins, daily activities will continue supporting communication, independence, social skills, and discovery. We're excited for more learning, laughter, fall fun, growth, and big toddler energy! 🍁💖🌟

EMPLOYEE OF THE MONTH

Mr. John

This month, we're proud to celebrate Mr. John, A.K.A. Uncle John, as our October Employee of the Month! From the moment he walked through the doors at Lizzie's Learning Academy, he brought an incredible level of enthusiasm, dedication, and positive energy. His heart for helping Lizzie's grow is matched by his desire to encourage, uplift, and make everyone around him better.

Whether he is stepping in to help, motivating the team, supporting daily needs, or simply bringing great energy into the building, Uncle John gives his all. His passion, reliability, and genuine care have made him a true blessing to the Lizzie's family. We are deeply grateful for everything he brings to our academy and the people within it. Congratulations, Uncle John—you are truly appreciated! 🌟

TIPS OF THE MONTH:

AUGUST EDITION

Tip 1: Stay Visible on Darker Evenings 🌙

October days get shorter, so choose bright or reflective clothing for evening walks and outdoor play. Always hold hands near streets, use sidewalks, and remind children to stay close to a trusted adult.

Tip 2: Practice Safe Halloween Habits 🎃

Check costumes for proper fit, avoid masks that block vision, and inspect all treats before children eat them. Use flashlights or glow sticks to help little ones stay visible while trick-or-treating.

Tip 3: Dress for Changing Weather 🍂

Cool mornings and warmer afternoons can make October tricky. Dress children in easy layers, pack a light jacket, and make sure shoes are comfortable and safe for outdoor play.
