LIZZIE'S MONTHLY SCOOP

NOVEMBER 2026 EDITION

WELCOME PARENTS

October was filled with fall fun, creativity, and exciting learning experiences at Lizzie's Learning Academy! Our students enjoyed seasonal art projects, safety lessons, hands-on classroom exploration, and fun adventures with their teachers and friends. Throughout the month, the children continued building confidence, practicing kindness, strengthening communication skills, and discovering new things about the world around them.
Now, November is here, and we are excited to welcome a month centered on gratitude, family, and togetherness! This month, we look forward to thankful-themed activities, cozy fall crafts, storytime, and lessons about sharing, helping others, and appreciating the people we love. Thank you to our amazing parents, dedicated staff, and supportive community for continuing to make Lizzie's a warm, joyful, and special place for children to learn and thrive. 🦃🍂🧡

KOALA "NUGGET OF THE MONTH"

A THANKFUL HEART GROWS THE HAPPIEST DAYS. SLOW DOWN, NOTICE THE LITTLE BLESSINGS, AND REMEMBER THAT SMALL WORDS LIKE 'THANK YOU' CAN MAKE A BIG DIFFERENCE!" 🍂🐨🧡

☀️ INFANT SPOTLIGHT ☀️

👶🏾 October was a cozy month of gentle exploration and sweet milestones in the Infant Room! Our babies enjoyed fall sensory play, soothing songs, tummy time, stroller rides, and loving one-on-one time with their caregivers.
As we move into November, we look forward to soft textures, music, story time, and plenty of cuddles. We are so thankful for every little learner and the progress they make each day. Watching them grow and discover is one of the greatest joys of our Lizzie's family. 🍂💙🧡

LIZZIE'S CLASSROOM CHRONICLES

🥳 SCHOOL-AGERS SPOTLIGHT

November is here, and our School-Agers are keeping their big-kid energy going strong! October was full of growth as they settled deeper into the school year, stayed on top of homework, and showed more responsibility and independence each week. The children enjoyed creative projects, seasonal activities, and teamwork games while continuing to build friendships and leadership skills. We are proud of how they support one another and set a great example for our younger learners. As we move into November, our School-Agers will continue receiving homework help and academic support while exploring gratitude, giving back, and what it means to be a good friend and community member. With Thanksgiving break ahead, we'll keep encouraging kindness, responsibility, and strong learning habits. Thank you, School-Agers, for the positivity and big-kid spirit you bring each day! 🎒🍂🦃

🥳 PRE-SCHOOLERS SPOTLIGHT

Our Pre-Schoolers had a busy and creative October! 🎃 The children explored fall through art projects, stories, science activities, and hands-on learning centers. They practiced recognizing letters, numbers, shapes, and colors, worked on writing their names, and learned important safety lessons along the way. Circle time helped them grow in listening, taking turns, and sharing their ideas with friends. As November begins, our Pre-Schoolers will focus on gratitude, family, and helping others through thankful-themed crafts, storytime, and group activities. We'll keep building the early literacy, math, and social skills that prepare them for kindergarten and beyond. We are so proud of their curiosity and kindness every day! 🦃🍂📖

💖 TODDLERS SPOTLIGHT

October was full of fall colors, movement, and hands-on discovery in the Toddler Room! 🍂 Our toddlers enjoyed pumpkin and leaf sensory play, music and movement, stories, creative art, and outdoor exploration with their friends. The children practiced sharing, using new words, following simple routines, and doing more things on their own with growing confidence. As we move into November, our toddlers will explore gratitude, family, and togetherness through songs, stories, and simple crafts while continuing to build communication, independence, and social skills. We're excited for more learning, laughter, and big toddler energy! 🦃🍁💛

EMPLOYEE OF THE MONTH

MS. ANDREA

This month, we're proud to celebrate Ms. Andrea as our Employee of the Month! Ms. Andrea continues to go above and beyond at Lizzie's Learning Academy, showing incredible dedication, dependability, and genuine love for everyone around her. She has embraced Lizzie's as more than just a workplace — she treats it like family. Her warm heart, caring spirit, and willingness to help make everyone feel valued and appreciated. Whether she is supporting her coworkers, lending a helping hand, caring for our children, or simply spreading kindness throughout the building, Ms. Andrea consistently gives her best. Her loyalty, reliability, and heartfelt commitment make her such a special part of the Lizzie's family. We are truly blessed to have someone who cares so deeply about our academy and its continued growth. Congratulations, Ms. Andrea — you are loved, valued, and deeply appreciated! 🌟💛

TIPS OF THE MONTH:

NOVEMBER EDITION

Tip 1: Fall Back Safely 🕰️

Daylight Saving Time ends Sunday, November 1, and evenings get dark early. Use bright or reflective clothing for evening walks, and shift bedtime by 10–15 minutes a night to help little ones adjust.

Tip 2: Skip the Puffy Coat in the Car Seat 🧥

Bulky winter coats compress in a crash and leave car seat straps too loose. Buckle children in with a thin layer, then place the coat or a blanket over the straps.

Tip 3: Keep Little Hands Safe in the Kitchen 🦃

During Thanksgiving cooking, keep children at least 3 feet from the stove and oven. Turn pot handles inward and keep hot dishes away from table edges.

KID-FRIENDLY RECIPE OF THE MONTH:

TURKEY SNACK PLATES 🦃🍎🧀

Ingredients:

- **1 small apple, thinly sliced**
- **1 mandarin orange, peeled into segments**
- **1 cheese stick, cut into rounds**
- **4–5 pretzel sticks**
- **2 raisins**
- **1 baby carrot**

Directions:

Place a cheese round in the center of a plate for the turkey's body.

Fan apple slices and orange segments around the top like feathers.

Add raisins for eyes and a small piece of carrot for the beak.

Use pretzel sticks for legs, then gobble it up!

Why Kids Love It:

They get to build their own turkey before they eat it — a fun, hands-on Thanksgiving snack! 🦃🍁
