Courageous Police Leadership + Seconds For Survival

"Prediction is Prevention. Leadership is Survival."

DAY ONE

Courageous Police Leadership

Taught by Dr. Travis Yates — Author: The Courageous Police Leader

The leadership course thousands of officers call the best of their career. Principle-based. Research-driven. Immediately applicable at every rank.

- ◆ The power of courageous character at every rank
- ◆ Eliminating the Circle of Chaos & building a winning culture
- ◆ Communication that commands respect and reduces conflict
- ◆ The Mission-Driven Leader: aligning decisions to purpose
- ◆ Data, community, and the courageous leader's role
- ◆ Making those you lead the hero — the mark of greatness
- ◆ Courageous Leadership Principles: a framework for every shift

DAY TWO

Seconds For Survival: The FOCUS System for Threat Recognition

Field Observable Cues for Unknown Situations

The evidence-based behavioral threat assessment system built for law enforcement. Read behavior. Assess risk. Act decisively — before the threat materializes.

- ◆ Why people telegraph violent intent — and how to read it
- ◆ Baseline & anomaly: the foundation of all threat recognition
- ◆ Behavioral domains, PRISM pre-incident indicators
- ◆ FOCUS Risk Index (FRI): real-time, documented risk scoring
- ◆ Position of Advantage: tactical positioning under pressure
- ◆ Case law & Graham's totality of circumstances standard
- ◆ Court-ready documentation & articulation framework
