

FIND YOUR FINISH LINE

**CALEB CANFIELD
FOUNDATION**

OUR MISSION

To inspire and educate youth on what is needed to pursue their dreams, regardless of scale

Aspiring professional race car driver Caleb Canfield speaks to youth and organizations on how to identify their dreams and provides practical tips on how to achieve them.

This is complimented by track-side experiences at Caleb's races to reinforce learning and provide exposure to world-class racing. There will also be online training and content to inspire youth.

Why support the Caleb Canfield Foundation?

Caleb is part of a first-generation race family with aspirations of becoming a NASCAR driver when he grows up. This is a challenging goal that requires high levels of dedication, discipline and drive. Caleb is currently on-track with his goal and wants to share what has worked for his journey with other youth, so they can begin pursuing their dreams, no matter how big they are. We would be honored if you would consider partnering with us on this journey.

Caleb Canfield Foundation is a 501c3 Non-profit

You can help support Caleb's dream of becoming a professional race car driver, and inspiring youth to pursue their dreams, by donating today! You can also book Caleb as a speaker at your school or youth program. Call us at 206.234.2523 or info@calebcanfieldfoundation.org.
