

SUMMER CLASSES FOR AGES 2-6-6

The hands-on, STEAM-based summer programs at our Worcester Montessori school expose students to skill sets that they normally won't experience at school. Each week brings an exciting new class for students to learn, build, and play in the company of good friends.

Week 1
June 15 - June 18

BACKYARD
NATURE SCOUT

Put on your hat, grab your magnifying glass, and head outside to explore nature! Discover the hidden wonders of the outdoors by searching for plants, critters, fungi, and rocks. Catalog your findings to map out all the life in the local area.

Week 2
June 22 - June 26

FRIENDLY
FIELD GAMES

Spend the morning outdoors with sports activities and games that are designed to make fitness fun, gain multi-sport skills, and create enthusiasm for movement! In the afternoon, channel your creative mind to construct contraptions, animals and houses.

Week 3
June 29 - July 3

ART IN
THE YARD

Explore art using the outdoors as your canvas! You can make a collage out of leaves and other greenery, draw on the sidewalk using chalk, paint rocks using tempera paint, and more outdoor-centric art styles.

Week 4
July 6 - July 10

DEEP OCEAN
DISCOVERY

Dive into the layers of the ocean to meet the strange and unique creatures at the ocean floor! We'll build models of these mysterious sea creatures and uncover what it takes to survive in the deep blue.

Week 5
July 13 - July 17

SPLASH, SPIN &
BUILD

Get ready for a wet and wild adventure! Harness the power of the elements by building spinning machines and testing water contraptions. It's a hands-on journey where we design, build, and play to discover how nature moves the world around us.

Week 6
July 20 - July 24

3D CREATION
STATION

Turn raw materials into masterpieces! Shape clay, paper, and wood into everything from delicate butterflies to sturdy planes in this hands-on workshop for young artists.

Week 7
July 27 - July 31

LET'S GO
CAMPING

Come pitch your tent! Students will construct and paint a tent and set it up. Test with cardboard and fabric to see which materials hold up to create your camping abode. Sit in your tent and analyze rocks, minerals, and other finds from nature.

Week 8
August 3 - August 7

MUSIC
AND MOVEMENT
CREATIVITY STUDIO

Enter into a world where stories come to life through song! Grab an instrument, find your voice, and use movement to express your wildest ideas in this immersive musical playground.

Week 9
August 10 - August 14

MOVERS &
SHAKERS

Get ready to wiggle, jump, and move! In this high-energy class, little movers explore rhythm through dance games and hand percussion instruments. We'll march to the beat, learn simple choreography, and play musical games that build coordination and listening skills.

Week 10
August 17 - August 21

LEGO ANIMAL
KINGDOM

Join us to bring a wild LEGO world to life! From towering giraffes to swimming sharks, explore different habitats while creating exciting animal models. This program combines storytelling and nature discovery with hands-on building fun to make a lively animal habitat.

Week 11
August 24 - August 28

ALL-STAR
SUMMER GAMES

Enjoy the last bit of summer with classic outdoor playground activities. Master new skills, lead your team to victory, and find out how much fun staying active can be.
