

EL BEE'S is a company who aims to provide a variety of hot/cold sandwiches, wraps, salads, soups, smoothies, desserts and handcrafted drinks in an effort to create a kinship-oriented dynamic with our customers. Since there has been a deterioration in the consideration of the customer and excellent customer service skills, (which is something we take great pride in), our goal is to create an atmosphere for convenience, quick and excellent customer service, family, competency, and belonging. EL BEE's is currently a virtual kitchen, utilizing a shared kitchen in the Washington Heights area in Chicago, Illinois.

Our motto is: Fresh and Flavorful food made with love. This has been the most widely used word associated with our food, that you can feel love in every bite. We offer fresh food with the customer's best interest at heart.
