The 3 Glances

MAHJONG STRATEGY SCHOOL

What to do after the Charleston, before you read the card. Keep this next to your rack.

1 COUNT

Count your tiles by family. **Card stays closed.**

Evens 2·4·6·8 | **Odds 1·3·5·7·9** | **3·6·9** | **Winds & Dragons**

Four in a row | **Same number in 3 suits**

2 POINT

Your biggest family points to one or two sections. **Open only those.** Ignore the rest of the card.

3 PICK

Pick two neighbor lines that share tiles. **Pass what helps neither.**

EXAMPLE

Count: 7 evens, 2 odds. **Point:** open 2468 first, Consecutive Run as your backup.
Pick: the two 2468 lines that use the most of these tiles.
