

Affiliate Disclosure

Last Updated: February 24, 2026

Rose & Pearl Publishing, LLC (“Rose & Pearl,” “we,” “us,” or “our”) sometimes shares recommendations for products, services, tools, books, and resources we genuinely believe may be helpful to our audience.

Some of these recommendations may include **affiliate links**. This means that if you click an affiliate link and make a purchase, we may earn a small commission or other compensation **at no additional cost to you**.

Why we use affiliate links

Affiliate income helps support the ongoing creation of content, resources, and tools we provide through Rose & Pearl Publishing and our related brands (including AUTHORity Unlocked and The Ruby Tent).

Our commitment to you

We value trust above everything. We strive to recommend only products and services we believe are high-quality and aligned with our values. Compensation does not change the price you pay, and it does not determine our opinions.

Sponsored content

From time to time, we may publish sponsored content or collaborate with partners. If content is sponsored or paid, we will disclose that relationship clearly within the post, email, or page where it appears.

Advertising

We may use third-party advertising platforms on our websites or channels. These platforms may use cookies or similar technologies to display relevant ads. For more details about cookies and tracking, please review our Privacy Policy.

Amazon disclosure

Rose & Pearl Publishing, LLC is a participant in the Amazon Services LLC Associates Program, an affiliate advertising program designed to provide a means for sites to earn advertising fees by advertising and linking to Amazon.com.
