THE FRACTIONAL INCUBATOR

Here's exactly what your life looks like inside the incubator.

A behind-the-scenes look at how we build your client pipeline — for you.

HOW IT WORKS

6 months. One goal: a repeatable outbound system that runs itself.

You give us everything. We do the rest.

We take your background and turn it into a prospect pipeline.

Your Data

Career history, skills, and experience — all captured upfront.

Our Engine

Human + AI labor finds the people most likely to need you.

Your Pipeline

Warm prospects identified and ready for outreach — daily.

DONE FOR YOU

We don't just find prospects. We do everything after that too.

01

Find Prospects

Using your career background as the targeting signal.

02

Source Contact Info

Email and LinkedIn — both handled.

03

Write the Outreach

First message and all follow-ups — written for you.

04

Automate the Sending

Via our platform, Incubator Leads. Zero effort on your end.

Dozens of messages. Every day. Mon–Fri. For 6 months.

All from a few hours of talking about yourself. You've barely lifted a finger.

WHEN REPLIES COME IN

Someone responds. You screenshot it. We write your reply.

9–5 EST, Mon–Fri. Real humans. Real time. Every reply covered.

Meetings aren't job interviews. *You're* the one doing the interviewing.

Fully Scripted

Every word of your first meeting is mapped out ahead of time.

Practice Calls

We game it out with you — unlimited times, no judgment.

Book Meeting #2

First meeting ends with a proposal meeting on the calendar.

CLOSING THE DEAL

Proposal meetings are paint-by-numbers. We hand you the brush.

Fill-in-the-Blank Proposals

No guessing. Frameworks built from what actually closes.

Word-for-Word Scripts

Know exactly how to lead the conversation and close with confidence.

Here's your entire job, summed up.

Give us your background. *Once.*

We find, contact, and follow up with prospects.

You show up when someone wants to talk.

We're in your ear for every meeting — for 6 months.
