Please note *Warranty does not apply to normal wear and tear and for use of instruments beyond limitation. Warranty does not cover instruments that have been altered or sharpened in any way.

All A. Titan products are warranted to be free from defects in workmanship and materials. Any product which proves to be defective will be repaired or replaced (at our option) free of charge. Tungstencarbide instruments (needle holders) are guaranteed for the first three years of normal use. Any modification or alteration made to our instruments other than by A. Titan Instruments will render the warranty null and void. All warranty claims must be made directly with A. Titan Instruments. Any and all returned to the distributor and **NOT** to A. Titan will render the warranty null and void. Warranty does not cover shipping and handling. Above policies subject to change without notice.
