THE OFFER

After a DUI arrest, the clock starts. *So should your intake.*

A DUI arrest comes with a short deadline most people have never heard of, and the license suspension starts long before the court case ends. People search for a lawyer the morning after, often in Spanish.

The agent answers DUI inquiries in English and Spanish, aiming to reply in under a minute, records the arrest and suspension dates for same-day attorney review of the license deadline, and books the consultation. It never gives legal advice.

ANSWER

A bilingual front door, 24/7

Voice, text, and web chat, answered in English and Spanish with a target of under a minute. Callers in other languages go to a person or a scheduled callback.

SORT

Every inquiry by matter type and urgency

First DUI arrest, refused the breath test, DUI with a crash or injury, commercial drivers, license and hardship questions, and boating under the influence. Urgent calls transfer live to the attorney on call, with a text alert if nobody picks up.

BOOK

Consults booked, conflicts checked

Collects every party name for your conflict check before any details, books the consultation, and runs reminders and reschedules.

BE FOUND

Named when clients ask AI

English and Spanish dui defense pages that answer real questions, plus LegalService and Person schema for each attorney, so ChatGPT and Google can find and cite your firm by name.

The guardrails

- **No predictions.** The agent never says a case will be dismissed, a test was invalid, or a charge will be reduced.
- **Dates recorded, not judged.** The agent records the arrest and suspension dates and marks the record so your team checks the 10-day review window (Fla. Stat. § 322.2615) the same day.
- **Logistics, not the story.** The agent collects dates, county, and court information.
- **No outreach from arrest lists.** Florida Bar Rule 4-7.18 limits soliciting prospective clients.
- **Clearly a law firm.** The agent says it is an assistant, never an attorney.
