THE OFFER

Sort every contract inquiry by *deadline and dollar value*.

Contract work arrives in two very different moods. One owner needs a contract reviewed before Friday's signing.

The agent answers in English and Spanish, sorts each inquiry into drafting, review, negotiation, or breach, records the signing date or breach date and the contract value, captures the other party for conflicts, and books the attorney. It never gives legal advice.

ANSWER

A bilingual front door, 24/7

Voice, text, and web chat, answered in English and Spanish with a target of under a minute. Callers in other languages go to a person or a scheduled callback.

SORT

Every inquiry by matter type and urgency

Contract drafting, contract review before signing, negotiation support, breach of contract, and template and vendor agreements. Urgent calls transfer live to the attorney on call, with a text alert if nobody picks up.

BOOK

Consults booked, conflicts checked

Collects every party name for your conflict check before any details, books the consultation, and runs reminders and reschedules.

BE FOUND

Named when clients ask AI

English and Spanish contract law pages that answer real questions, plus LegalService and Person schema for each attorney, so ChatGPT and Google can find and cite your firm by name.

The guardrails

- **No reading of the contract.** The agent never tells a caller what a clause means or whether to sign.
- **Other side named first.** The agent captures the counterparty before details, so your firm can run conflicts.
- **Dates flagged, not judged.** In Florida, an action on a written contract generally must be brought within five years (Fla. Stat. § 95.11(2)(b)).
- **Documents sent securely.** Draft agreements contain prices and terms.
- **Clearly a law firm.** The agent says it is an assistant, never an attorney.
