THE OFFER

People in debt wait too long to call. *Answer them the moment they do.*

By the time someone searches for a bankruptcy lawyer, a foreclosure sale or a garnishment is often already scheduled. They are embarrassed, they are comparing firms, and many search in Spanish.

The agent answers debt, foreclosure, and garnishment inquiries in English and Spanish, collects the basics, is set up to treat sale dates and garnishments as urgent, and books the consultation. It carries your debt relief agency disclosure and never gives legal advice.

ANSWER

A bilingual front door, 24/7

Voice, text, and web chat, answered in English and Spanish with a target of under a minute. Callers in other languages go to a person or a scheduled callback.

SORT

Every inquiry by matter type and urgency

Chapter 7, Chapter 13, foreclosure, wage garnishment, creditor calls and lawsuits, and small business debt. Urgent calls transfer live to the attorney on call, with a text alert if nobody picks up.

BOOK

Consults booked, conflicts checked

Collects every party name for your conflict check before any details, books the consultation, and runs reminders and reschedules.

BE FOUND

Named when clients ask AI

English and Spanish bankruptcy pages that answer real questions, plus LegalService and Person schema for each attorney, so ChatGPT and Google can find and cite your firm by name.

The guardrails

- **Debt relief agency disclosure.** Federal law requires bankruptcy-assistance advertising to state, "We are a debt relief agency.
- **No advice on what to do.** The agent never says which chapter to file or whether to file at all.
- **Financial details kept minimal.** The agent collects ranges, not account numbers.
- **No outreach from court lists.** Florida Bar Rule 4-7.18 limits soliciting prospective clients.
- **Clearly a law firm.** The agent says it is an assistant, never an attorney.
