THE OFFER

Every immigration inquiry answered, sorted, and booked, *in your client's language.*

Immigration clients call at night, from a relative's phone, often frightened and often in Spanish or Haitian Creole. If nobody answers, they call the next firm.

We aim to answer every new inquiry in under a minute, in English and Spanish, sort it by case type and urgency, escalate detention calls to an attorney, and book the consultation. The agent never gives legal advice.

ANSWER

A bilingual front door, 24/7

Voice, text, web chat, and WhatsApp, answered in English and Spanish with a target of under a minute. The same agent also answers in Portuguese. Haitian Creole callers go to a person or a scheduled callback.

SORT

Every inquiry by case type and urgency

Family petitions, naturalization, removal defense, asylum, VAWA and U visas, waivers, TPS and DACA, employment and investor visas. Detention calls transfer live to the on-call attorney, with a text alert if nobody picks up.

BOOK

Consults booked, documents requested

Books the consultation, texts a booking link that can collect your consult fee, sends the right document checklist for the case type, and runs reminders and reschedules.

BE FOUND

Named when clients ask AI

English and Spanish practice-area pages that answer real questions, plus LegalService and Person schema for each attorney, so ChatGPT and Google can find and cite your firm by name.

The guardrails

- **No legal advice.** Never says who qualifies or how a case will go (Fla. Bar Rule 4-7.13).
- **No AI cold outreach.** Answers people who contact you, never solicits (Rule 4-7.18; FCC 24-17).
- **Safe for survivors.** Asks before texting VAWA, U and T visa clients; messages stay generic.
- **The minimum, kept private.** No status or case details in texts or email subject lines.
- **Clearly a law firm.** The agent says it is an assistant, never an attorney or a notario.
