## **1. PURPOSE OF THIS DISCLAIMER**

This Earnings Disclaimer is published by AiConnect Partners PH in the interest of full transparency and in compliance with applicable Philippine laws, including the Consumer Act of the Philippines (Republic Act No. 7394) and guidelines set by the Department of Trade and Industry (DTI).

The purpose of this disclaimer is to provide a clear and honest representation of what current and prospective partners can realistically expect when joining the AiConnect Partners PH ecosystem. We believe that informed partners make better decisions, and we are committed to upholding that standard.

---

## **2. NO GUARANTEE OF INCOME OR RESULTS**

AiConnect Partners PH does not guarantee any specific level of income, profit, revenue, or financial results to any partner, regardless of the package purchased or the level of participation.

Any figures, examples, testimonials, or projections shared in our presentations, training materials, social media content, website, or community channels are for illustrative purposes only. They represent possibilities based on certain conditions and are not intended as promises or guarantees.

Individual results will vary significantly based on factors including but not limited to:

- The level of personal effort, consistency, and commitment applied
- The partner's prior experience in sales, marketing, or e-commerce
- Market conditions, product demand, and competitive landscape
- Quality and frequency of partner's own promotional activities
- The partner's ability to build and support their own network
- Economic and external factors outside the control of AiConnect Partners PH

---

## **3. INCOME IS EFFORT-BASED**

AiConnect Partners PH operates on an effort-based opportunity model. Income is not automatic, passive by default, or guaranteed simply by registering as a partner or purchasing a package.

Partners who achieve meaningful results do so through consistent effort, continuous learning, active selling, and genuine engagement with their networks and customers. The system, training, and community that AiConnect Partners PH provides are tools to support your efforts — they are not a substitute for your own action and commitment.

We encourage all prospective partners to approach this opportunity with realistic expectations and a genuine willingness to learn and work.

---

#### **4. INCOME REPRESENTATIONS AND TESTIMONIALS**

From time to time, AiConnect Partners PH may share success stories, income examples, or partner testimonials through its website, social media channels, presentations, or community platforms.

These representations:

- Are based on the specific circumstances and efforts of the individuals featured
- Are not typical and should not be interpreted as average or expected results
- Do not account for the costs, time, and effort invested by those individuals
- Are not intended to create an expectation of similar results for all partners

The experiences shared by top-performing partners represent outcomes achieved through exceptional dedication, favorable conditions, and sustained effort over time. They are not representative of the experience of the average partner.

---

#### **5. PACKAGE INVESTMENT AND ASSOCIATED COSTS**

Joining AiConnect Partners PH requires a one-time package investment. Partners should be aware that:

- Package investments are non-refundable once access has been granted and partner activation is complete
- There may be additional costs associated with running your own business activities, including marketing, logistics, and communications
- AiConnect Partners PH does not cover or reimburse business expenses incurred independently by partners
- Any income earned through the ecosystem is subject to applicable Philippine taxes, which are the sole responsibility of each partner

We encourage all prospective partners to review the full package details and compensation structure before making any investment decision.

---

#### **6. NOT FINANCIAL OR INVESTMENT ADVICE**

Nothing communicated by AiConnect Partners PH — whether through its website, presentations, training content, social media, or community channels — constitutes financial advice, investment advice, or a solicitation to invest.

AiConnect Partners PH is not a registered financial institution, investment firm, or securities dealer. Participation in the AiConnect ecosystem is a business opportunity, not a financial product or investment vehicle.

If you require financial or investment guidance, we strongly encourage you to consult a licensed financial advisor before making any decision.
