

BROOKS WEDDING CEREMONIES

Services & Pricing Guide

*Unforgettable ceremonies written from
scratch and delivered with heart*

BrooksWeddingCeremonies.com

Hello!

There's a moment in every wedding ceremony no one plans for.

It's the second your partner sees you and everything else disappears.

That moment deserves more than a traditional template. I write one-of-a-kind ceremonies from scratch (we don't do cookie-cutter here) that celebrate you and the life you're building together.

And if you want to walk into that moment feeling truly ready, not just for the wedding but for everything that comes after, our optional premarital counseling program is where that work happens.

If that's the kind of experience you're looking for, we'd love to be part of it.

Officiant & Marriage Educator

Why Work With Us?

Your Ceremony Is Designed From Scratch.

This is **for the couple who *knows* their relationship doesn't fit in a box** — and wants a ceremony that proves it.

No templates. No recycled vows. No copy-paste moments dressed up with your names dropped in.

Every word is built around your story, your dynamic, your people, and the moment you've been planning forever, then flawlessly delivered by me and my team with over 11 years of experience. The result is **a ceremony your guests will *still* be talking about years after your I Do's.**

Premarital Counseling is also an option for couples who want to do the real work *before* walking into marriage. Based on a personality assessment taken separately, every session is tailored to each couple's unique relationship, so instead of generic advice, **you'll get real, personal insight and tools for the life you're building together.**

How It Works

01 BOOK A VIBE CHECK

Think of it as a chill video chat where you'll share your vibe and I'll learn what makes your relationship yours. No pressure, just us figuring out if we click. **Book your Vibe Check [HERE](#).**

02 SIGN THE AGREEMENT

If we're both ready to move forward, I'll send over a Wedding Agreement with all the details for your review and e-signature.

03 PAY YOUR RETAINER

A 50% retainer locks in your date, with the balance due 30 days before your wedding day. Cash-friendly pricing is available.

04 YOU'RE IN!

Your welcome email lands in your inbox with your onboarding details and questionnaire. That's it, you're officially on the calendar!

FAQ's

What's the difference between your ceremony packages?

Signature is our core ceremony, tailored to your style and how much personalization you want. Warm, meaningful and beautifully simple.

Signature Plus includes everything in Signature, plus final ceremony approval, rehearsal coordination or attendance, personal vow coaching and live ceremony strategy session. Perfect for the couple who wants every detail handled.

Signature Complete includes everything in Signature Plus, and also includes our 6 week premarital counseling program.

How long will our ceremony be?

You set the vibe. Your ceremony can be as short or as detailed as you want. It really depends on things like whether you're sharing personal vows, adding a unity moment, or including a special reading.

That said, the majority of our ceremonies run about 15-20 minutes—just long enough to feel meaningful without dragging on.

We're interested in Premarital Counseling but not sure it's in the budget. Do you offer a payment plan?

Yes! We have convenient payment plans, making it affordable for any couple to prep for marriage. Cash-friendly pricing is also available on request.

How do we book you?

You can book a Vibe Check call [HERE](#), or, if you already know you want to work together, send a message to ido@brooksweddingceremonies.com and let me know which package is the right fit, and I'll send over a Wedding Agreement with details and invoice.
