THE INVITATION & OUR STORY

Celebrating the best part of us… *you*.

For our clients. Our partners. And the people who help make it happen.

DB Closers was built on connections. Every result we've helped a client reach has depended on people — the lenders, attorneys, inspectors, insurers, contractors, and advisors who bring expertise and care to the work.

We are more than a traditional real estate team. We connect people to the resources, knowledge, and professionals they need to move from opportunity to execution — and we help them close with confidence.

Elevated Connections is our official company launch and a celebration of the relationships that made it possible. It also introduces our next chapter: a deliberate commitment to intentional networking, education, and meaningful community relationships.

It is an invitation-led gathering of people who understand the value of trusted relationships and exceptional service.

THE CENTRAL IDEA

It's not about being seen by everyone. It's about connecting with the right people.

A curated, relationship-driven room

Designed around a curated guest experience.

02
Invited clients, business owners, industry professionals, and community partners.

03
Sponsors take part in hosted networking.

Existing relationships celebrated; new ones made possible.

A PERSONAL MESSAGE FROM OUR FOUNDER

“Service Over Sales.”

— Denetria Burris, Founder & Team Leader, DB Closers LLC

Dear Friend,

Every result I've been part of has had one thing in common: it took more than one person to get there. Behind every closing are professionals who did their work with care — and clients who trusted us to guide them.

“Service Over Sales” is the philosophy I carry into everything I do. In **leadership**, it means developing people, cultivating relationships, and choosing long-term trust over short-term transactions. With **clients**, it means listening first, educating, advocating for their interests, and helping them make informed decisions. With **service partners**, it means taking the time to understand your services, products, expertise, and standards before I ever make an introduction.

I've built this business mostly through word of mouth and the referrals of people who trusted us. I don't take that lightly. I believe the right connection can change the direction of someone's life, business, or financial future.

Elevated Connections is my way of saying thank you — and of inviting you into what comes next. It would be an honor to have you in the room.

With gratitude,

Denetria Burris

[Relationship context — e.g., "Thank you for the work you've done alongside our team this year." or "I'm reaching out because your organization's work with homeowners aligns with the community we serve." Use only a confirmed relationship.]

On Saturday, December 5, 2026, DB Closers LLC will host *Elevated Connections* — our official company launch and an evening of cocktails, connection, and recognition for approximately 100 invited clients, business owners, industry professionals, and community partners.

We are inviting a small group of organizations to join us as Founding Connection Sponsors. Sponsorship is less about visibility and more about being in the right room: taking part in hosted networking, being recognized at a meaningful milestone, and opening the door to introductions where there is mutual interest.

The enclosed package outlines three sponsorship levels — $500, $1,200, and $2,500 — along with a custom option, and a preview of our proposed 2027 programming. If [Company Name] would like to participate, please return the commitment form or respond at [form / payment link] by [response deadline].
