A Message from OUR PRESIDENT

MEAGAN KENNEMER
FIWT PRESIDENT
2026 – 2027

Hello FIWT Family!

As I sit down to write my very first message as your FIWT President, I can't help but reflect on the journey that brought me here. If you had told me when I first joined IACC that one day I would be serving as President of FIWT, I'm not sure I would have believed you!

But that's the beautiful thing about this organization. Sometimes we don't realize the impact that the people around us are having on our lives until we look back and see just how far we've come.

For me, FIWT has always been about so much more than education, meetings, and conventions. It's about the friendships, the laughter, the encouragement, and the incredible women I've had the privilege of getting to know from all across Texas. It's about walking into a room full of familiar faces and feeling like you're right where you belong.

Those relationships are what keep me coming back, and they are a big part of why I chose this year's theme, Rooted in Strength.

Just like a tree, FIWT has grown from strong roots planted by the women who came before us. Their dedication, leadership, and passion built the foundation we stand on today. But even the strongest tree must continue to grow.

As we begin this new year, I want us to embrace both our roots and the opportunities ahead. Our industry is changing, our members' needs are evolving, and we have an opportunity to grow right alongside them. I want us to continue finding ways to make FIWT an organization that people not only enjoy being part of, but are excited to join.

And here's something I truly believe: The strength of FIWT isn't found in a title, a committee, or a convention. It's found in YOU.

Every member has something to offer. Whether you've been involved for 30 years or just joined last month, your voice matters, your ideas matter, and your involvement makes a difference.

So, here's my challenge to you this year: Get involved. Meet someone new. Invite a coworker. Share an idea. Step outside your comfort zone. You never know what opportunities or friendships might grow from that one small step.

I also want you to know that my door is always open. I want to hear your ideas, your concerns, and even the things you think we could be doing better. Because the future of FIWT belongs to all of us, and I believe our greatest accomplishments will come from working together.

I am beyond excited for the year ahead, and even more excited to share it with all of you. I know there will be plenty of hard work, probably a little chaos, and, knowing this group, a whole lot of laughter along the way!

Here's to honoring our roots, embracing growth, and making 2027 a year to remember!

With love and gratitude,

ROOTED IN STRENGTH
WITH FIWT

WELCOME MCIP!

FIWT is excited to welcome our newest association, Montgomery County Insurance Professionals. We are excited to see MCIP grow, build lasting connections and make a positive impact in the Montgomery County insurance community.

No one likes a messy claim, don't let your clients settle for a cr*ppy policy!

Sorry for our potty-mouths, we just think Port-o-Potty and Dumpster Rental Companies deserve reliable insurance. Whether it's a rogue port-o-potty tumbling off a truck on the highway or a heavy-duty flatbed squeezing into tight spaces, we understand the unique challenges these industries face — and we're here to protect them.

If you've got a tough-to-place risk in this space, send them our way. We're here to help when others won't.

WE'VE GOT IT COVERED.

Committee Corner

Our committees are the roots that keep FIWT strong—creating opportunities, supporting our locals and helping our members grow. Here's what's been happening!

EDUCATION RESOURCE COMMITTEE

FIWT now has 15 CE Instructors across the state. If you're interested in becoming an instructor, please let Conya Harris know and she will send you an application.

If your local is interested in hosting a CE class, please let Conya know and she'll send you a class request form to complete. The updated CE Courses List is included in this newsletter. We now have 32 approved CE classes. PowerPoints are ready for those classes with an asterisk along with the scripts and the handouts.

COMMUNITY SERIVCE

FIWT's community service focus for this year is supporting our veterans. We encourage each local association to identify a veteran-focused organization in their community and find meaningful ways to give back and show their support.

NEWSLETTER

All information for upcoming newsletters needs to be submitted to Krysten Haga no later than the 23rd of each month.
