MATCH ON YOUR FIRST 2 QUALIFIERS	CODED BONUS THROUGH UNLIMITED DEPTH	CODED MATCH AT 10 ACTIVE PERSONALS

1. Your First 2 Customers Are Your Qualifiers

Your first two personally referred customers are your Qualifiers. The \$25 Coded Bonus goes to the person above you in the coded organization, while you earn an unlimited 100% Match - \$25 - on their \$25 Code earnings.

This means you are rewarded from your very first customer, even though your own Coded Bonus lines begin with customer #3.

**REFER YOUR BEST 2 BECAUSE YOU GET AN INSTANT 100% MATCH ON
THEIR CODE EARNINGS.**

2. \$25 Coded Bonuses Begin With Customer #3

Beginning with your 3rd personally referred customer, every additional personally referred customer starts a \$25 Coded Bonus line for you.

There is no limit to the number of Coded Bonus lines you can create.

3. How Your \$25 Coded Lines Grow

Beginning with your 3rd personally referred customer, their first 2 personally referred customers are coded to you. Those customers' first 2 personally referred customers are coded to you. Their first 2 are coded to you. The same pattern continues through unlimited depth.

2 - 4 - 8 - 16 - 32 - 64 - 128 - 256 - 512 - 1024 - 2048 - 4096 - 8192 - and on.

Not everyone will refer 2 customers. Some may refer 1. Some may refer none. That does not stop the growth potential of your other coded lines.

Each qualifying active customer coded to you can generate a \$25 recurring monthly Coded Bonus.

THERE IS NO LIMIT ON HOW MANY \$25 MONTHLY CODED BONUSES YOU CAN EARN.

4. You Don't Need Perfect Duplication

Unlimited depth does not mean everyone has to personally refer two customers. Some people may refer 2. Some may refer 1. Some may refer none.

If someone refers no customers, that particular branch stops growing. Other branches can continue independently. If someone refers only one customer, the code can continue through that customer and their organization.

Your Coded Bonus organization can continue through unlimited depth without requiring everyone to personally refer two customers.

5. Everyone Can Create Their Own Coded Bonus Lines

Being coded to someone else does not prevent a person from creating their own Coded Bonus lines.

Their first two personally referred customers are their Qualifiers. Beginning with their 3rd personally referred customer, they begin creating their own \$25 Coded Bonus lines. Every personally referred customer after their first two creates another Coded Bonus line.

The same process repeats throughout the organization. Everyone can build their own Coded Bonus organization while simultaneously being part of a Coded Bonus line above them.

6. 50% Coded Match - 10 Active Personal Customers

Once you have 10 active personally referred customers, including your first 2 Qualifiers, you unlock the ongoing 50% Coded Match.

You earn a 50% match on the \$25 Coded Bonuses earned by your personally referred customers beginning with your personal customer #3.

Your first 2 Qualifiers count toward the 10 active personal customers required to qualify, but the ongoing 50% Coded Match applies to your personally referred customers beginning with #3.

The Coded Match rewards you for helping the people you personally refer build successful Coded Bonus organizations of their own.

THEY EARN A \$25 CODED BONUS. YOU EARN A \$12.50 MATCH.
