SUMMER SCHOOL INFORMATION

Our summer program will begin on Monday, June 1, 2026 for day classes. Night classes will not be offered this summer. Day school meets Monday through Thursday from 8:45 a.m. until 12:30 p.m. Students may begin anytime, but starting early in the summer is recommended.

FEES:

Enrollment fee: \$125.00

Day School Tuition: \$110.00 per week

Books: Initial book cost will vary depending on courses needed.

REGISTRATION:

We encourage students to register for summer school as soon as possible. We are now accepting applications and will continue to do so as long as space permits. Students may begin anytime, but we prefer that students register and begin as early as possible in order to have adequate time for course completion. Our program is self-paced and each student requires a different amount of time to complete a credit. Credits are earned after all required course work is successfully completed and passed.

COURSES:

STUDENTS: PLEASE CHECK WITH GUIDANCE COUNSELORS AT YOUR SCHOOL BEFORE REGISTERING.

Refresher/Review courses: Review subjects that were “barely passed” in order to be prepared for next year.

Credit Recovery Courses: Recover credits for subjects that were not passed during the regular school year. Our school does credit recovery each summer for many private and public schools in the area.

“Stay on Track” Courses: Earn credits needed to graduate that have not previously been attempted. Our school can be used as an “outsourcing” program for students who need additional credits to graduate on time.
