

General Disclaimer

KhomaAlgorithms LLC provides software tools, automation technology, and educational resources related to trading systems and execution workflows. KhomaAlgorithms LLC **does not provide investment advice, financial advice, trading recommendations, or portfolio management services.**

All information, software, tools, scripts, automations, examples, and educational materials provided on this website are for **informational and educational purposes only.**

No Investment Advice

Nothing on this website constitutes:

- Investment advice
- Financial advice
- Trading advice
- A recommendation to buy or sell any security, futures contract, or financial instrument

Any decisions made using software, automation, or information provided by KhomaAlgorithms LLC are made **solely by the user**, at their own discretion and risk.

Risk Disclosure

Trading financial instruments, including futures and leveraged products, involves **substantial risk** and may result in the loss of some or all of your capital.

You acknowledge and understand that:

- Past performance is **not indicative of future results**
- No profits or specific outcomes are guaranteed
- Market conditions can change rapidly
- Drawdowns and losing periods are possible and expected

You are solely responsible for evaluating whether trading is appropriate for your financial situation and risk tolerance.

No Managed Accounts / No Custody

KhomaAlgorithms LLC:

- Does **not** manage client funds
- Does **not** have custody of client capital
- Does **not** place trades on behalf of users

All trading activity occurs in accounts **owned and controlled by the user**. Any automation operates only after explicit user authorization and configuration.

Technology & Software Disclaimer

Software and automation involve inherent risks, including but not limited to:

- Execution delays
- Connectivity failures
- Platform outages
- Software bugs
- Third-party service interruptions (brokers, data feeds, APIs)

KhomaAlgorithms LLC does not guarantee uninterrupted, error-free, or profitable operation of any software or automation.

Results & Testimonials Disclaimer

Any examples, backtests, performance metrics, or testimonials shown on this website:

- Are not guarantees of future performance

- May be hypothetical or simulated
- May not reflect real-world trading conditions such as slippage, latency, or liquidity constraints

Individual results will vary.

User Responsibility

By using this website or any KhomaAlgorithms LLC products or services, you agree that:

- You are solely responsible for your trading decisions
 - You understand the risks involved
 - You accept full responsibility for any outcomes resulting from your use of the software or information provided
-

Jurisdiction & Eligibility

KhomaAlgorithms LLC services are intended for users who are legally permitted to trade in their jurisdiction. Users are responsible for ensuring compliance with all applicable laws, regulations, broker rules, and prop firm policies.

Acceptance of Terms

By accessing this website or using any KhomaAlgorithms LLC products or services, you acknowledge that you have read, understood, and agreed to this Disclaimer, as well as the Terms of Service, Risk Disclosure, and Privacy Policy.
