

Company overview

B2B Smart Services LLC is a small business in Tamarac, Florida that supplies government agencies, educational institutions and commercial organizations with office supplies, computers and accessories, and software. It also writes custom software and designs computer systems. Buyers get one quote, one invoice and one point of contact across the supplies, hardware and software they buy every month.

Core competencies

Office supplies & stationery	Paper, writing, filing, desk, mailroom, ink and toner, and breakroom essentials, sold as single orders or scheduled replenishment.
Computers & peripherals	Laptops, desktops, monitors, docking, printers, networking, storage and AV equipment from major manufacturers.
Software licensing	Productivity, security, design and collaboration software, including volume licensing, renewals and true-ups.
Custom software development	Web applications, portals, dashboards, integrations and workflow automation, built to specification and documented.
Computer systems design	Needs assessment, network design, imaging and deployment, asset tagging and technology refresh planning.

Differentiators

- ✓ One accountable point of contact across supplies, hardware and software
- ✓ Line-item quotes formatted to the solicitation, typically within one business day
- ✓ Sourcing through authorized distribution; TAA, BAA and Section 889-compliant options on request
- ✓ Renewal tracking so licenses and subscriptions do not lapse
- ✓ Small business based in Broward County, Florida, with nationwide delivery
