

The Harvest Covenant:

The Harvest Covenant is a simple plan. It has been proven to be one of the most effective methods of bringing people to know who Jesus is. It is a plan by which Christians can prayerfully invite unsaved friends, relatives, and family members to hear the Good News of a new life in Christ.

"Andrew, Simon Peter's brother, was one of the two who had heard John speak and who had followed Jesus. The first thing Andrew did was to find his brother Simon and tell him, 'We have found the Messiah' (that is, the Christ). And he brought him to Jesus."

John 1:40-42

What Is The Harvest Covenant?

God has called every believer to be a laborer in His harvest. The Harvest Covenant is a commitment to pray for those who need Christ, invite them to hear the Gospel, and walk with them as they grow in faith. Write down the names of people God has placed in your life and believe with us for their salvation.

The Five Harvest Steps

Look Around

Ask God to show you family members, friends, neighbors, coworkers, and others who need Jesus.

Look Up

Pray for the people on your list every day, believing God to draw them to Himself.

Reach Out

Build genuine relationships and demonstrate the love of Christ through your words and actions.

Invite In

Invite them to a church service, crusade, outreach, or broadcast where they can hear the Gospel.

Follow Through

Encourage, disciple, and support those who respond to Jesus as they begin their walk with Him.

"Then He said to His disciples, 'The harvest truly is plentiful, but the laborers are few. Therefore pray the Lord of the harvest to send out laborers into His harvest.'"

Matthew 9:37-38
