CAMILLE BABIN

Author, Speaker & Host of The SQ Factor

SPIRITUAL INTELLIGENCE. STRATEGIC LEADERSHIP.

About Camille

Camille Babin is an author, speaker, and host of The SQ Factor podcast, writing and speaking at the intersection of faith, stewardship, leadership, and Spiritual Intelligence.

Her message is rooted in one conviction: we were created as image bearers, called to represent God on the earth and partner with Him. Spiritual Intelligence, the capacity to see, hear, understand, and respond to what God is saying and doing, is what makes that partnership possible. Camille teaches this through a framework she calls SHURE: See, Hear, Understand, Recognize, Execute.

As the founder of Teleia, the SQ Academy, and CB Legacy, Camille helps leaders, entrepreneurs, and organizations align with God so His kingdom becomes visible in how they lead, build, and steward their lives.

The author of eleven books, Camille brings a rare blend of spiritual insight, strategic thinking, and marketplace fluency to conferences, corporate trainings, leadership intensives, workshops, and faith-based audiences worldwide.
