Give your child the edge they need for next year's OC exam!

Year 3 Term 2 courses are carefully designed to prepare students for the high standards of challenging OC exam next year. We go beyond academics—nurturing a love of learning while equipping students with the essential skills and strategies to excel. Strengthen their abilities in reading, writing, maths, and thinking skills so they can approach the OC exam with confidence.

NEW* OC FOUNDATION COURSE (OCFC)

To support our Year 3 students in preparing for next year's OC exam, we are introducing a new **OC Foundation Course (OCFC)** in Term 2. This course is designed to build the essential skills and knowledge students need before progressing to the more demanding **OC Trial Test Course (OCTTC)** in Term 3.

Full details about the OCFC can be found on **Pages 3 to 5**.

SINCE 1992

Saturday, 28 February
NAPLAN Trial Test Course ends.

7 – 13 March
Progress tests period

11 – 23 March
NAPLAN tests period

Saturday, 28 March, 5 PM
Autumn Holiday Course E/B discount offer ends.

Tuesday, 7 April, 5PM
Term 2 E/B discount offer ends.

7 – 10 April
Autumn EMT (4 days)

13 – 17 April
Autumn Intensive English

Saturday, 18 April
Term 2 begins

Saturday, 4 July
Term 2 ends

Year 3 Term 2 Course

Course	Session	Class Time*	Class Location*
Year 3 WEMT	Saturday AM	8:50am – 12:15pm	Penrith Branch
	Saturday PM	12:45pm - 4:10pm	Penrith Branch
	Wednesday PM	4:20pm – 7:45pm	Penrith Branch
NEW* OCFC	Saturday PM	12:45pm - 3:55pm	Penrith branch
	Thursday PM	4:00pm – 7:10pm	Penrith Branch
Writing	Wednesday	4:00pm – 6:40pm	Penrith Branch

- **Scholarship & Sibling Discounts** are available until the Early Bird Payment Discount due date - **Tuesday, 7th April 2026, 5 PM**.

Year 3 WEMT Course

Elevate your child's learning experience with our revamped Year 3 WEMT course! Our enhanced curriculum is designed to unlock your child's full potential:

- **Exam Readiness:** Build a strong foundation in reading, mathematical reasoning, and critical thinking, crucial for upcoming assessments.
- **Writing Mastery:** Develop effective writing strategies for clear, persuasive communication.
- **Reading Comprehension:** Conquer challenging texts and ace multiple-choice questions with confidence-building techniques.
- **Maths Made Fun:** Gain a solid grasp of mathematical concepts, formulas, and problem-solving through engaging activities.
- **Thinking Skills:** Sharpen your logic through engaging exercises designed to enhance critical thinking and cognitive agility.
- **Choose Your Learning Path:** We provide two flexible ways to experience the WEMT advantage:

WEMT (Face-to-face learning)

Learn directly from expert teachers in a dynamic classroom setting and access all Cyberschool resources.

Live Zoom lesson by Cyber-School

Join interactive zoom lessons from the comfort of your home and access all Cyberschool resources.

- **Early Bird (E/B) Discount** prices are valid for full term payments by Tuesday, **5pm, 7th April 2026**.
- **Full Term (F/T) Discount**** prices are valid for full term payments by Friday, **5pm, 24th April 2026**.
- **Scholarship and sibling discounts** are available until **5pm on Tuesday, 7th April 2026**.
- **Anzac Day:** Year 3 Saturday classes will be conducted as normal on 25 April 2026.

OC Foundation Course (OCFC) for Year 3

Get Ahead and Gain Confidence for the 2027 OC Placement Test!

We're excited to introduce our updated OC exam preparation course, which now includes a new format designed for the 2027 OC placement test.

To help students adapt to the new computer-based exam format, we are launching our OC Foundation Course (OCFC) specifically for Year 3 students. This course aims to build a strong foundation in the various question types found in the OC exam, giving students the confidence they need to transition smoothly to the computer-based OC Trial Test Course (OCTTC) starting in Term 3.

Course Structure

Students will alternate between workbook lessons and practicing exam-style questions from the OC placement test. The focus will switch weekly between Reading & Mathematical Reasoning and Thinking Skills & Mathematical Reasoning. Additionally, the weekly class tests will be computer-based to familiarise students with this format.

Reading:

- Each reading week covers a different format: comprehension, poems, gapped texts, and multiple matching. Students receive workbooks with practice questions to solidify their understanding of the week's text type. Vocabulary lists are provided to boost language skills.
- After the workbook lesson, students take the **computer-based** class test on the specific format, followed by a review session where the format is analysed in detail, and test questions are explained.

Mathematical Reasoning & Stage 2 Maths:

- Each week, students will learn and master topics outlined in the Stage 2 (NSW K-10 Syllabus) Maths through the workbook. This is followed by the **computer-based** mathematical reasoning test and a review session for detailed explanations and reinforcement.
- Stage 2 Maths skills are crucial for both the OC Mathematical Reasoning Test and the Problem-Solving section of the Thinking Skills Test.

Thinking Skills:

- Each thinking skills week focuses on a specific topic: critical thinking or problem-solving skills. Students will work through their workbook, which includes practice questions to solidify their understanding of the week's topic.
- The workbook lesson is followed by the **computer-based** thinking skills test on the specific topic. Finally, a review session delves into the question type in detail, providing explanations for the test questions.

Year 3 Term 2 OC Foundation Course – Weekly Lesson & Tests Schedule

Week	Topics
Week 1	- Reading Comprehension - Maths: Representing numbers using place value
Week 2	- Thinking Skills: Assessing the Impact of additional evidence & Finding Procedures I - Maths: Additive relations
Week 3	- Reading - Poem - Maths: Multiplicative relations
Week 4	- Thinking Skills: Detect Reasoning Errors & Identifying Similarity I - Maths: Partitioned fractions
Week 5	- Reading - Gapped Text - Maths: Geometric measure

Week 6	- Thinking Skills: Drawing a Conclusion & Finding Procedures II - Maths: Two-dimensional spatial structure
Week 7	- Reading - Multiple Matching - Maths: Three-dimensional spatial structure
Week 8	- Thinking Skills: Identifying Assumption & Matching Arguments & Similarity II - Maths: Non-spatial measure
Week 9	- Reading Comprehension - Revision - Maths: Data
Week 10	- Thinking Skills: Mixed of Critical Thinking & Relevant Selections - Maths: Chance
Week 11	- Mathematical Reasoning Trial Test: OCTTC format - Thinking Skills Trial Test: OCTTC format
Week 12	- Reading Trial Test: OCTTC format - English Workbook lesson: OCTTC format

Year 3 OC Foundation Course - Session Timetable

WEEKS 1, 3, 5, 7, 9	Duration	WEEKS 2, 4, 6, 8, 10	Duration
Class admin	5 min	Class admin	5 min
Workbook Lesson 1 (Reading)	20 min	Workbook Lesson 1 (Thinking Skills)	20 min
Test 1 (Reading)	25 min	Test 1 (Thinking Skills)	25 min
Test 1 Review	30 min	Test 1 Review	30 min
Break	10 min	Break	10 min
Workbook Lesson 2 (Maths Stage 2)	40 min	Workbook Lesson 2 (Maths Stage 2)	40 min
Test 2 (Mathematical Reasoning)	25 min	Test 2 (Mathematical Reasoning)	25 min
Test 2 Review	30 min	Test 2 Review	30 min

Boost your OCFC learning with Cyberschool:

The OC Foundation Course (OCFC) goes beyond classroom learning with Cyberschool, our online learning platform packed with helpful features, allowing students to practice the computer-based tests at home.

- **Master Your Mistakes:** After class test reviews, Cyberschool lets you revisit missed questions in Reading, Mathematical Reasoning, and Thinking Skills during the specified service period. Retrying these questions helps solidify understanding and identify areas for improvement.
- **Self-Check Your Work:** Access workbook answers on Cyberschool to check your work and learn from any mistakes. This reinforces learning and empowers you to independently review and improve.
- **Vocabulary Builder:** Put your vocabulary to the test! Cyberschool offers vocabulary practice tests during the specified service period, based on the provided vocabulary lists. This helps strengthen your language skills and prepare you for vocabulary sections in the exams.
- **Weekly CBT Practice:** Enhance your exam skills with weekly practice questions in Reading, Mathematical Reasoning, and Thinking Skills. Complete these within the designated service period. Regular practice on Cyberschool helps you become familiar with various question types and prepares you for the computer-based test format used in our OCTTC and actual OC exam.

Class Schedule

The OCFC class follows a four-day schedule. Each lesson is introduced on Saturday and then repeated on Sunday, Tuesday, and Wednesday. For students attending the OCFC Tuesday and Wednesday class, the makeup class for

the last session will be held on Monday, 6th July 2026. Please refer to the schedule below for available OCFC sessions, class times and locations.

Year 3 Term 2 OC Foundation Course – Class Time & Location

OCFC Session	Class Time	Class Location*
Saturday PM	1:00pm - 4:10pm	Penrith Branch
Thursday PM	4:00pm – 7:10pm	Penrith Branch

- **Class time and location*** are subject to change based on enrolment numbers.

Year 3 Term 2 OC Foundation Course - Fee Schedule

Course Name	Session	Starting Date	Finishing Date	Tuition Fee per week	No. of weeks	Total	*Special D/C price
Year 3 OC Foundation Course (OCFC)	Saturday	18-Apr	4-July	\$ 75	12	\$ 900	\$ 810
	Thursday	23-Apr	4-July*	\$ 75	12	\$ 900	\$ 810

- **Special D/C price* offer** is available only to the parents who enrol in **both** Term 2 full-term OCFC and Term 2 full term Year 3 WEMT course together. This price does NOT include the WEMT course fee. Parents must pay the term 2 WEMT course fee separately.
- **Scholarship discounts** are available until the **Early Bird Payment Due Date: Tuesday 7th April 2026**.
- Sibling discounts do not apply to the OC Foundation Course (OCFC).
- **Anzac Day: Year 3 Saturday classes will be conducted as normal on 25 April 2026.**
- **4-July*** - For students attending the OCFC weekday class (Thursday), the make-up class for the last session will be held on Saturday, 4th July 2026.
- **Please consider this information when you enrol in the OCFC:** Students can only access the OCFC class test questions during their scheduled class sessions. While Cyberschool may offer limited access to review specific portions under certain conditions and policies, this course does not provide take-home test papers.
- **Important Notes:** The Cyberschool service is not included in the tuition fee but is provided free of charge by Pre-Uni New College. It is available for a set period and will no longer be accessible once this period ends. Please note that the Cyberschool service is subject to change without notice.

Year 3 Writing Course (Wednesday)

This engaging Year 3 Writing Course helps your child blossom into a confident writer, ready to tackle any writing task with creativity and skill.

The course will help students unlock their inner storyteller and encourage them to express themselves uniquely. It aims to build a strong foundation in essential writing skills like grammar, punctuation, and spelling. Students will have a chance to explore diverse writing styles and craft informative reports, captivating stories, and persuasive arguments. We will help them become confident communicators and develop the skills to express ideas clearly and effectively.

The course progressively builds upon various aspects of writing, including:

- Building knowledge and vocabulary: Expand understanding and explore word choice through synonyms, antonyms, and different parts of speech.
- Crafting sentences: Master sentence construction, learn to join sentences effectively, and explore different sentence types.
- Understanding structure and organisation: Discover various writing formats like information reports, narrative stories, and persuasive writing.
- Refining skills and techniques: Develop proofreading skills, learn to summarise information effectively, and use appropriate punctuation.

Give your child the gift of confident communication. Enrol today!
