Delivery Delivery and basic setup for up to 30 miles for the lot is included in every building price. Escort fee is included for 30 miles for 12'wide, and up buildings. Deliveries over 120 miles or out of state, call for quote. Some Jurisdictions require extra escorts, These are not included.

Downpayments Any down-payments made on purchase are not guaranteed a refund.

Lead Time Average lead for a stock build is 2-3 weeks. Lead time on a custom build is between 3-4 , and 4-6 weeks in busy times. Pricing, design, and conditions are subject to change without notice.

Permits Customer is in charge of getting zoning and permits for their structure SS may assist with this if needed.

Draws Shed Solutions may request one or more draws throughout the build and delivery process. Any purchase over \$8,000 will be required a downpayment of \$1,000 and a additional draw of 50% of purchase price two weeks after downpayment, and before delivery. Total payment with be required if the building is built and Shed Solutions has to hold the building for more than two weeks.
