# THE STONE CROSSING EXPERIENCE

---

Every wedding begins with the **Stone Crossing Wedding Foundation**, which includes private estate access, chef-prepared dining, tables and chairs, included in-house inventory, and essential venue support.

Couples choose one of our Full-Service Wedding Packages: **Classic, Signature, or Grand**. Each package builds from the Stone Crossing Wedding Foundation by adding the services most weddings need, such as bar service, linens, coordination or planning, DJ/audio, and guest experience enhancements.

For weddings with a more custom format, we can also build a proposal from the Stone Crossing Wedding Foundation with à la carte services added as needed.

The **Stone Crossing Wedding Foundation** includes:

Private venue access from 12:00 PM–11:00 PM

One-hour venue rehearsal access the day before at 10:00 AM

Indoor and outdoor event spaces

Private wedding suites

Brookside Menu with elevated buffet service

Seasonal tasting opportunity for booked couples

In-house tables, chairs, and included inventory

On-site venue team and service staff

Setup and breakdown of included furniture and venue-provided items

Standard vendor access two hours before event start

Guest parking, cleaning, and closing services

You do not need to have every detail figured out yet. This guide is here to help you understand the options and choose the experience that fits your day best.

Pricing is per adult guest. Children's meals, tax, service charge, and specialty upgrades are additional. Reduced minimums may be available for select remaining dates. Top Shelf Liquor is available as an upgrade. Bundled savings are shown in comparison with à la carte pricing at 100 *adult* guests.
