

A Free Publishing Guide for Christian Women

From Idea to Published Book

Proverbs 31 Publishing

Your Story. Christ's Glory.

Welcome

If God has placed a book on your heart, you are not imagining it—and you are not alone. This guide exists to bring clarity, peace, and confidence to your publishing journey.

Many Christian women feel called to write but don't know where to begin, how the publishing process works, or whether they're "qualified enough." This guide exists to bring clarity, peace, and confidence to your publishing journey.

At Proverbs 31 Publishing, we believe:

- Writing is ministry
- Stories are stewardship
- Excellence honors God

Let's walk through the process together.

Love Jen

Step 1: Clarify the Call

Before you write, pause and pray. Ask what message God wants you to share and who He has called you to serve.

 *“Write down the revelation and make it plain.” — Habakkuk 2:2*

 **You don’t need the whole book yet—just clarity on the message.**

Step 2: From Idea to Manuscript

Your book can begin as notes, prayers, journal entries, or voice memos. Progress comes from starting, not perfection.

 **Tip:** Don’t edit while you write. Get the story out first—polish comes later.

Step 3: Editing with Excellence

Editing refines your message and prepares your manuscript for readers. Excellence honors God.

 *“Let all things be done decently and in order.” — 1 Corinthians 14:40*

This step transforms a manuscript into a professional, reader ready book.

Step 4: Design & Formatting

A professionally designed book invites readers in and reflects care and intention.

This includes:

- Cover design
- Interior formatting (print & ebook)
- Font, spacing, and layout

Step 5: Publishing & Distribution

Self publishing allows you to share your message globally while maintaining creative control.

We guide you through:

- ISBNs
- Platform setup
- Print & digital publishing

Step 6: Sharing Your Book with Confidence

Sharing your book is obedience, not pride. Your message can reach hearts far beyond you.

 *“Go into all the world...” — Mark 16:15*

Your book can go places you never will.

Step 7: Legacy & Impact

Your words can encourage generations and preserve testimony long after you're gone.

 *"One generation will declare Your works to the next." — Psalm 145:4*

About Proverbs 31 Publishing

Proverbs 31 Publishing is a faith based publishing company helping Christian women turn God given stories into beautifully published books.
